

CDE Software License Transfer Form

The undersigned hereby confirms the transfer of license of the following license to use CDE Software products. The new licensee has read the Software License / End-User License Agreement (EULA) pertaining to the CDE Software product and agrees to be bound by each of the terms thereof. The registered licensee confirms that he/she has the right to transfer ownership of the CDE Software product, and hereby transfers all rights granted under the end-user license agreement to the new licensee. The registered licensee agrees to transfer all software listed below ("Software"), (including media, printed materials, any upgrades, the serial numbers, the registration codes, and all other products provided together with the Software), and agrees not to retain any copy of the Software (including any installed copy). In the event the Software is distributed along with other CDE Software products as part of a suite of products, the Software shall be transferred only with and as part of the sale or transfer of the whole suite of products and not separately. If the software is an upgrade, the registered licensee must also transfer any copies of the previous version(s) of such CDE Software products. This transfer is subject to final approval of CDE Software. Transfer will be revoked upon non-payment. Autoscoring editions transfer not available.
